

## **MRS. ROBERSON'S MONTHLY NEWS**

**FEBRUARY, 2018**

The weather did not cooperate with our Catholic Schools week activities. However, we were still able to squeeze in a few things and we enjoyed getting a break from our school work.

Please remember to sign and return your child's spelling pre-test each week. The test needs to be returned to school on the day of the test with your signature and the misspelled words written 5 times on the back. These are worth points that will affect their grades.

Homework and Spelling words can be found on the homework page of the St. Chris website each week. Be sure to check there if you need a copy of the spelling words.

### **Important Notes**

Plunge into Fitness Challenge logs will be sent home with your student this week. This is a way for them to earn a free admission ticket to Raging Waves Waterpark. Your child will need to exercise 30 minutes each day for a total of 25 hours. The minutes/hours must be logged and the fitness log is due back to school **NO** later than **Monday, April 8**.

Valentine Parties will take place on **Friday, February 14**. More details will be sent home soon.

Six Flags Read to Succeed reading logs were sent home and are due back to school by **February 27**. Your child must read 6 hours (360 minutes) to receive a free ticket. Logs received after February 27 will NOT be accepted.

We do not have school on **Monday, February 18** in honor of Presidents Day. Enjoy the long weekend!

### **This Month**

**Spotlight on Religion:** We begin our preparation for Communion. We will also learn about God's healing love and the word of God.

**Spotlight on Language Arts:** We will work on contractions and pronouns, adjectives and adverbs and past present and future tense.

**Spotlight on Math:** We just finished up Metric Measurement and will begin Mental Math.

**Spotlight on Science & Social Studies:** We will finish up Animal Life Cycles in Science and we will also study American symbols and presidents in Social Studies.

**Spotlight on Reading:** We will begin our new SUPER Magazine, Color Crazy. Throughout the month we will also work on visualization with the book Where the Wild Things Are and compare and contrast books on the same subject with different points of view.
